Dear John:

This letter serves as confirmation of the invitation you received to participate in a workshop on alcohol and other drug-free housing at the upcoming NIAAA Working Group meeting being held April 24-26. Your workshop is scheduled for Thursday, April 25 at 11:00 a.m. to 1:00 p.m. The workshop is intended to provide information about various models of alcohol and other drug-free housing, including resident-run and agency-supervised designs. Issues of siting, facility renovation and furnishing will also be explored.

The workshop is part of a larger meeting of project directors, evaluation staff and service staff from programs funded through the NIAAA Cooperative Agreements for Research Demonstration Projects on Alcohol and Other Drug Abuse Treatment for Homeless Persons. A copy of the preliminary agenda for the meeting is enclosed for your information. Also enclosed are a set of synopses of the fourteen NIAAA-funded cooperative agreement projects and a glossary of service activities that describes how program services will be measured.

You will receive a consulting fee of $150.00 for your participation in the workshop. NIAAA will also reimburse you through R.O.W. Sciences for mileage.

We are very pleased that you can be part of our meeting. I know your contribution will be greatly appreciated.

Sincerely,

Rhona Fisher
